# **NON-INSTRUCTIONAL INNOVATIVE GRANT APPLICATION**

## **Project Title:**

## **Project Overview and Statement of Purpose:**

Write a short, one-paragraph summary of your grant proposal. Explain what you hope to achieve and why it is important.

## **Presentation of Idea:**

Describe the item/project/or idea and how it supports the purpose. Describe why you consider this project to be innovative and/or creative. Who is the target population, and what number of employees or students will benefit from the proposed project?

## **Goals/Objectives:**

State the goal(s) you hope to achieve. What will the project accomplish?

## **Implementation:**

Describe how and when the project's activities will be performed.

## **Budget:**

Provide an explanation of your budget request. Include the Vendor, specific information on material and/or equipment and their costs. Include shipping and handling costs if applicable.
